

Mentoring Program Manager's Package

SUBSCRIPTION SUPPORT TO DESIGN AND MANAGE MENTORING PROGRAMS

This package is for organisations that require world-class mentoring initiatives and want to:

- Design their own program
- Deliver and administer the program themselves
- Access world-class materials and support from mentoring experts
- Interact with other program managers to share best-practice

The Program Manager's Support Package includes:

- Program Design Guide
- Guide to recruiting participants
- Application Formats
- Matching Guide
- Program Information Session, Program Launch Session and Program Training Resources
- How to review progress with participants
- Evaluation Formats
- Mentoring Articles & Tips
- Instructional videos e.g. demonstration of how to run an Information Session
- Access to our consultants for advice and support
- Access to our online forum for Mentoring Program Managers

This package can be purchased in conjunction with our online training if self-paced video-based training is preferred.

Features and Benefits

FEATURES

1. Annual online subscription
2. Administrator access
3. Connects seamlessly with our online training for mentors and mentees, *Art of Mentoring*
4. World-class materials, updated with latest products and research as they become available

BENEFITS

1. Always accessible online
2. A cost-effective way to bring world-class mentoring into any organisation
3. Ideal for organisations that want to manage programs themselves
4. Organisational subscription can be transferred if a new person moves into the Program Manager role – great for continuity
